Jl. Letjend S Parman No 4, RT 023 RW 006, Kelurahan Tosaren, Kecamatan Pesantren, Kediri, Jawa Timur  
I'm a 6th-semester Informatics Student at Universitas Atma Jaya Yogyakarta, passionate about Software Development with a strong interest in web and database development as a full-stack developer. Driven by a passion for learning new things, I enjoy solving problems both independently and as a part of a team. I am committed to continuously improving my skills and contributing to creating innovative and impactful solutions.

## Education Level
